

Football Development FAQ's

1. What is the youngest age you can start training from?

The youngest age you can start training from is the age of 3.

2. What will you teach my child?

Depending on their level and age - we will aim to improve their ability to control the ball in the area of shooting, passing, defend, attack, dribble and improve their speed and coordination.

3. How does my child join a team?

We are a development centre, we do make recommendation to our professional club network. Your child continue training until ready to join a team.

4. Does your training only run during term time?

No, we deliver a Saturday football session all year round.

5. Are your coaches CRB checked?

Yes, all coaches are CRB Checked & First Aiders.

6. Are there Parking Spaces?

Yes, free parking spaces are available.

7. Can Parents stay during sessions?

Yes, parents are able to stay but we advise them not to disrupt their child's learning.

8. What should my child wear?

We supply a team uniform which is chargeable to the parent/guardian.
